

## OneUSG Implementation Timeline

2014 - 2016

### PHASE I: One Benefits Platform

- The 100+ different vendor throughout USG schools providing benefits were condensed and managed at USG level
- USG launched benefits campaign: "We Proved. You Decide."

2016 - 2017

### PHASE II: Benefits Administration Transition

- USG health and welfare benefits will be administered by a third-party
- ADP-supported and research institutions must complete a data exchange with a third-party administrator

2017 - 2020

### PHASE III: HR Database Transition

- All schools will begin using one human resource information system, PeopleSoft
- The data for all schools will be housed in a single location with each institution accessing only its own information

2016

### ANNOUNCEMENT

- Beginning June 26, 2017, USG health and group benefits will be administered by a third-party
- Aon Hewitt chosen to administer USG benefits
- All employee benefit data must be aligned with USG standard and delivered to Aon
