Benefits of Membership

Credit Union of Georgia has been a part of the Northwest Georgia community and has served the faculty, staff, and students of local school systems and institutions of higher learning and their immediate family members since 1960. We are a not-for-profit, member-owned cooperative where members have a direct impact on how the Credit Union operates. Credit Union of Georgia has five branch locations to serve you and is strictly regulated by the National Credit Union Administration, an agency of the U.S. Government. Deposits are insured up to at least \$250,000 by the NCUA.
